Dear Langdon, Indus and Chestermere area families,

RE: Notice of Public Consultation Regarding New School in Langdon

Rocky View Schools (RVS) is excited to be opening a new school in the region in September 2024. From the start, we have described it as a junior/senior high school. We must now formally decide on the grade configuration and the designated attendance boundaries for the new school in Langdon. This will likely change attendance boundaries in the future for Chestermere High School and grade configurations of Sarah Thompson School, Langdon School and Indus School.

The purpose of this letter is to invite you to provide your feedback regarding which students will attend the new school. Community input is important and will inform the Board's decision currently planned to be made at its June 15, 2023, public Board meeting.

You are invited to a public meeting, May 2, 2023, to learn about the proposed accommodation plan and to share your thoughts. Additional information and the option to provide feedback will be available online at RVSEngage.com beginning May 2, 2023.
