Sept. 25, 2023

Dear Langdon, Indus and Chestermere area families,

Last spring many of you participated in the initial public engagement regarding the grade configuration and designated attendance boundaries for the new Junior/Senior High School in Langdon. The Board of Trustees (the Board) is excited to open the new school in September 2024 and invites you to participate in further engagement regarding the accommodation plan this fall.

Thank you for your patience as the second phase of engagement was prepared. After considering your feedback, the Board felt it was important to bring additional options forward for your input that reflected what they heard.

In-person and online engagement opportunities will begin Oct. 17 and the Board will aim to make its decision at the Dec. 14 public Board meeting. Please review information about the options being considered in the final phase of the consultation and how you can get involved:
